WELCOME

Dear Rabbit Run Family,

We are so excited to welcome you back to the barn!

Recently I read an article that reflected on why theatre is still important. The article included a quote from a young artist, Esteban Andres Cruz, that really spoke to me. *“The theater is the only space where people will let you lock the door, sit in the dark together with strangers and listen to stories that illuminate who we are as a people. It’s where we work out our ever changing definition of humanity, where we eke out empathy, hope and love.”*

Each production in our 2023 Rabbit Run Theater season provides that opportunity; a shared opportunity to examine the humor, the pain, the joy, and ultimately the beauty of each unique story being told.

People have always learned about themselves through storytelling. And we are so excited to take that journey with you!

So whether you are already a part of the Rabbit Run Family or you are joining us at the barn for the very first time, we couldn't be more pleased to share this wonderful season with you.

Sincerely,
Brint Learned

Rabbit Run—a barn theater and so much more!

You know about taking in a show on a warm summer's eve, but did you know we are also a comprehensive fine arts association?

Whether you want to learn how to paint a picture, learn to dance or play the piano, you can do so at our fine arts facility in Madison Village. All year long, classes and private music instruction are available regardless of age or ability. RRCAA also offers a number of summer youth camps for ages 5 through 16 including a pop star camp, art camps and theater camps.

An affiliate of Rabbit Run, The Madison Chorale is a 20-member chorus made up of vocalists from the tri-county area who perform throughout the year at both private and public functions.

Our Annual Juried Art Show in April, hosted in cooperation with the Madison Public Library, has for over 30 years showcased some of Northeast Ohio's finest visual artists.

The arts change and enhance our lives as we create and grow. We invite you to take a first step, sign up for a class and watch the creativity begin.

Check us out while waiting for the curtain to rise at www.rabbitrun.org!

Announcing the first recipient of the Betty Jean Green Scholarship Fund

RRCAA is very pleased to announce the first recipient of the Betty Jean Green Scholarship Fund—Camden Haire.

Camden is an exceptionally talented, 11-year-old young man who is currently studying piano under Mrs. Jonna Mazza as well as violin with Dr. Carol Linsenmeier at RRCAA.

Camden aspires to be a music educator. In addition to playing the piano and violin, he also plays percussion in band at school.

The Betty Jean Green Scholarship Fund was established in 2022 to provide needs-based financial support for students studying the arts at RRCAA.

Mrs. Green was instrumental in the establishment of the Western Reserve Fine Arts Assoc. in 1979. She was also the first board president when the association unified with The Friends of Rabbit Run Theater to form Rabbit Run Community Arts Assoc. in 2000. She taught private piano lessons at Rabbit Run for many years, served as the Dean of Faculty and was the founder and director of the Madison Chorale.

Information about applying for this scholarship is forthcoming.

Congratulations Camden!

A Dentist for the Whole Family

I love My Family Dentist! They are so thorough in their care and they are wonderful people! The dental work Dr. Severino-Hoza and her staff has done is amazing. You would not know that the teeth that were fixed are not my natural teeth! I am confident I am receiving the BEST possible care!! I look forward to every appointment. The office is amazing and clean with state of the art equipment. I am so happy I found this amazing office! Highly recommend.

VOLUNTEER OPPORTUNITIES

The lion's share of our success at RRCAA is due to the participation of our volunteer corps. Volunteer opportunities at RRCAA are plentiful and varied, and throughout the year, so many people give of their time and talents. Volunteers are regularly needed working as ushers or in concessions at the theater as well as providing office support and helping planning special events.

Each summer, at the theater alone, over 460 volunteer opportunities are available, and it is people like you who fill those spots. By ushering for a performance or helping in the concession stand, you meet a great bunch of people, help patrons enjoy the show, and see the performance without buying a ticket.

Whether you are handy with a hammer, can stuff an envelope, or have organizational skills, your help is needed. Give us a call at 440-428-5913.

A black and white photograph showing a close-up of two people. On the left, a man with a beard and a checkered shirt is looking towards the right. On the right, a woman with dark hair is looking towards the left, her mouth slightly open as if in conversation. The background is blurred, suggesting an indoor setting with other people.

Facilities of Rabbit Run Community Arts Association

RRCAA operates two separate facilities. The fine arts building is located at 49 Park St., near the village square in Madison Village. Most of our fine arts instruction is housed in this facility. Over 150 years old, the structure possesses a warmth and charm that adds to the already friendly atmosphere found in our halls. Over the years the building has served as the town hall (complete with a jail cell in the basement), a bank and the post office. The Western Reserve Fine Arts Association began to operate in the building in 1978. In 2000, the WRFAA merged with Rabbit Run Theater, creating Rabbit Run Community Arts Association, which continues to provide instruction in the facility. In May 2015, the recital hall was dedicated as the Betty Jean Green Recital Hall in recognition of the long-standing service of former board member and Dean of Faculty Mrs. Betty Jean Green.

The second facility RRCAA operates is Rabbit Run Theater, 5648 W. Chapel Rd. in Madison Township. The structure was originally built in the late 19th century and served as a horse barn. In the late 1940s it was converted to a theater by the Klump family, who owned the property. For over 60 years, theatrical productions have been performed each summer in the barn. We are proud to be able to continue the tradition of providing excellent theater in the barn by the lake.

Shining a spotlight on creativity.

The arts enrich all our lives and are an integral part of our culture and heritage. It's why we support arts organizations within our community. They inspire, entertain, move, and inform us in so many ways. Without the arts our community would not be the vibrant and diverse place we enjoy today.
